

# GHA Player Pathway Report

November 2023

James Doughty & Helen Jefferies

## 2023 - 2024 Season

- First match day was on 12th November with 6 squads playing at Clifton and 2 squads playing at Marlborough
- All kit was supplied in time for these matches by the Stick Club - this appears to have gone very smoothly so a big thank-you to them for this
- Talent System - now live and running  
**COMMITTEE ACTION - discuss whether we should abandon the Direct Debit payment method for players. This has been approved by Shaun - we no longer use GoCardless**
- The strength and conditioning sessions for the U13s and U14s were provided by The Athlete Academy and went well with good attendance.
- Helen has been making sure that all coaches documents are up-to-date. They are stored in the Cloud Workspace. The cost of renewing these will be met by GHA as agreed at the meetings prior to the AGM. What is the best way to account for this - assumption is that it goes through the Grants fund as agreed at the AGM
- Jhona has been helping with improving the information on Club Buzz and more recently posting the outcome of the match days.
