

Mens Masters Report for GHA Meeting on 25th February 2020

Over 60's EH Cup Competition

Our 1st team lost on penalty strokes (after a 3:3 draw in normal time) against last year's champions Warwickshire & Worcestershire. By all accounts it was a very tight affair and despite losing the squad played outstandingly well.

Our 2nd team travelled to Old Sils in Solihull and in another tight affair went down 1:0.

Possible fixtures v Wales

I am in the process of arranging two fixtures against Wales over 70's both to be played at Monmouth School. One will be on April 5th against the full Wales side and the second on May 3rd against their second string who are called the Dragons.

I have also been approached by Wales over 50's for a game, probably in March, and have circulated details to our over 50's.

Other Age Group Cup competitions Replacement Mens Masters Manager

I have notified all the Glos Masters players on my list telling them that I am "stepping down" and inviting them to contact GHA if they would like to take on the role.
