Secretary report for GHA Committee meeting on Tuesday 25th February 2020

The final proposals from the EH AGM Resolution Governance review have been published “A Structure fit for the Future” – see following link:

and a review has been completed by the Secretary and Treasurer and a summary issued for the Committee to read. The recommendation is for GHA to approve the proposal at the EH AGM in March. In the meantime though the Southern Counties HA has submitted a proposal to postpone any decision to an unspecified date during the 2020 / 21 season.

West HA has not followed up on the working group established back in October to review the EH AGM Resolution Governance Review. However, at the West Council meeting on 30th January it was agreed to hold a meeting of County Chairs on 25th March after the EH AGM on 17th March to consider what might be the next steps for the West.
